## Kristin Hannah's *The Four Winds*

*Meeting destination to be  
announced!*

This month we're taking a literary trip to Texas, circa 1934!

Author Kristin Hannah brings us to one of the darkest periods of the Great Depression, the Dust Bowl era, where Millions are out of work and a drought has broken the Great Plains. Farmers are fighting to keep their land and their livelihoods as the crops are failing, water drying up, and dust threatens to bury them all.
