How to Add the RCLS Mobile Shortcut to Your Apple Device

Safari

1. Open Safari and navigate to your library catalog website.
2. Tap the Share button (the square with the upward-pointing arrow). Depending on your Safari version, you may need to tap the Page Menu button first.
3. Scroll through the options and select Add to Home Screen.
4. Tap Add to finish.

Google Chrome

1. Open Chrome and navigate to your library catalog website.
2. Tap the Share icon near the address bar.
3. Select Add to Home Screen, if available.
4. Follow the prompts to add the shortcut.

Mozilla Firefox

1. Open Firefox and navigate to your library catalog website.
2. Tap the Share icon near the address bar.
3. Select Add to Home Screen, if available.
4. Follow the prompts to add the shortcut.

Microsoft Edge

1. Open Edge and navigate to your library catalog website.
2. Open the browser menu and look for a Share or Add to Home Screen option.
3. If the option is available, select it and follow the prompts.
4. If you don't see the option, open the website in Safari and follow the Safari instructions above.

Please note: The available options and their locations may vary depending on your browser and iOS version. If you can't find the option to add a shortcut, try Safari.
